Down by the riverbank, we cast our fishing lines

Down by the riverbank, we cast our fishing lines

And we headed for the river

We were fishing for fish,we were fishing,we had a good time

But we were fishing too fast,too fast

So we headed back to the river,we caught a fish

The river was full of fish,the river was filled with fish

I'm a little bit of a fool

I've been a little too long

You know

It's hard to be a fool when you're a fool,baby

When you're just a fool and you're not a fool at all

Well,I'm not a little fool

You're a little girl

A little girl,a little girl with a little heart

She's a little boy

Yeah,she's a girl

She was a little

American girl

Oh, she was a

Indian girl

That she wore

On her back

Her hair was long and she wore a little red dress

Artist : Ed Sheeran

Genre: Rhythm & Blues

Prompt :

Loving can hurt, loving can hurt sometimes

START!

Loving can hurt, loving can hurt sometimes

I'm not sure if it's love or love itself

But love can hurt

Love can hurt me, love can hurt you

And love can make me feel like

God is here to help me

So don't you worry, don't you cry, don' you cry

Don't you know that love can be hurt, love is hurt sometimes, love
hurts sometimes

I've been through a lot, I've had a lot of ups and downs, but

It's been a long time coming, I'm still here, I still have a lot to
learn, but it's been worth it

You know that you're the one that's always there for me, I know
that

That you're always there, I'll always be there for you, I will always be
with you,

you'll always know that it's true, I won't let you go, I don't want to
leave you,

but you're my baby, I want you to know that
, I love you, baby, I need you to be my baby
Baby, I can't wait to see you again,

END.

Prompt :

Loving can hurt, loving can hurt sometimes

START!

Loving can hurt, loving can hurt sometimes

 But love can be a blessing

 And love can make you stronger

 Love can make your heart sing

 You can be the one

 I need

 To be the best

 So,Im gonna be the only one

 Im gonna be the only one

 I'm a girl who's been through hell

 She's been in a lot of trouble

 Her life has been a mess

 It's been a long time

 Now she's got a new life

 A new life,a new life that's better

 Better than what she's been living

 The world is a mess,but

 God knows

 That she's gonna be alright

 If she's not,then she's gone

 There's no way

 We can ever be together

 No way

 You're the one that

My heart needs
When,you're gone
you're gone
It was a long day
Oh,I was so lost
In the dark
Of the night
Where the sun was shining
On the ground
With the words that
